your journey; to grow in relationship with God, yourself, others, and creation. Sessions are one-on-one and usually last about an hour. Suggested donation is \$35, but one is turned away because of inability to pay. Update on Bishop's Annual Appeal (BAA). It has been five weeks since we began the 2015 BAA in our parish. Some things you may or may not know about the BAA –

The diocese calculates each parish's pledge goal based on a formula which includes number of parishioner households and parish receipts from offerings, along with the number of diocesan households and what percentage our parish represents of the entire diocese, in terms of households and annual giving.

Last year, we came close to pledging almost 50% of our goal, but only 27% of households participated.

Our hope is to have as much participation by households as possible. This means that ANY amount will help to increase our "percentage of households" participation rate. If you have not yet had a chance to make a pledge, we invite you to fill out one of the envelopes in the pews.

Our dollar contribution goal this year is \$23,202. To date, we have received the following ...

Week	# of pledges	Amount	Total Amount
1	7	1303	\$1,303
2	7	1120	\$2,423
3	5	720	\$3,043
4	6	325	\$4,468

We encourage you to support this appeal, as it is a source of hope and inspiration to many in our midst throughout our diocese. All parishes in the diocese are asked to join together in supporting each other through this appeal; this is one of the small but important ways that you can show St Francis of Assisi Parish cares about those beyond our own boundaries. As you prayerfully reflect upon a gift in proportion to your financial blessings, please know that we are grateful for your sacrifice, regardless of the amount. Thank you and God bless you.

Pastoral Reflection for June 7, 2015

Usually, family members like to eat together to nourish their bodies, but also to strengthen the love ties that keep them united. In a similar way, every Sunday we sit around the same table to be fed by Jesus' word and his body.

Yet Mass is a sacred meal, the prescribed mode to publicly profess and proclaim our heartfelt adherence to the real presence of Jesus in the Eucharist along with the body of Christ who sits in the pew or we encounter everywhere this week. By eating his Body and drinking his Blood, we integrate ourselves to the person of Jesus in the one sacrifice he offered once for all on the Cross. We do it together as members of the one body of Christ and thus we demonstrate our unity and our commitment to love.

On this feast of Corpus Christi, we stand humbly and openly as witnesses of this great mystery. Accepting the Eucharist is accepting Jesus, the source of eternal life. "The Body of Christ," we say, "Amen!"

In Christ ~ Fr. Fritz

Keeping Students in College Connected to the Catholic Church ... Do you have a son or daughter, or even grandchild who will be graduating high school and headed off to college next year? Consider this, 80 percent of students stop practicing their faith at some point in college. College students active in campus ministry are more likely to continue their faith practice and when they graduate they are more likely to attend Mass, volunteer in parishes, and consider religious vocations. Unfortunately, only 15 percent of students look for a campus ministry on their own. You can help impact your own child's connection by encouraging them to log onto the Newman Connection and connect to the campus ministry at their college or university. This website will also give you information on the Catholic campus ministry, their Mass times, and some scheduled activities. Please make a difference in your child's faith life in college, please take the time now to go to: www.NewmanConnection.com
